HONOREE NOMINATIONS

Ballet Austin Guild annually honors individuals who have distinguished themselves as outstanding volunteers through individual excellence and high levels of achievement. Past honorees have included representatives of organizations such as Assistance League of Austin, Austin Women's Symphony League, New Milestones Foundation, Hospice Austin, Austin Junior Forum, Helping Hand Home for Children, Meals on Wheels and People's Community Clinic as well as many other Austin area non-profit organizations.

GUIDELINES FOR NOMINATIONS

When selecting a nominee, please consider that Honorees are those who:

- are willing to accept this honor
- are current residents of the Austin area
- have had a direct and powerful impact on the organization
- are individuals of excellence who have made significant contributions to their community and society in general
- are role models for all who participate in volunteer endeavors

Please consider that our event serves as an opportunity for honoring outstanding volunteers and as an important fundraising and promotional event for Ballet Austin. Nominees should be outstanding individuals who would naturally garner support from your membership as well as enthusiasm for the event.

Please submit nominations on the Nomination Form. Additional information, news clippings or photos can be attached, if desired.
